Border does not mean Kosovo recognition - Macedonian FM

KosovoCompromise Staff

The start of the Macedonia-Kosovo border demarcation is not related to a decision on Kosovo's independence recognition Macedonian Foreign Minister Antonio Miloski said Wednesday.

The placing of a border post at Macedonia, Kosovo and Albania three-border junction point at Serupa on Sar Mountain at about 2,100 meters above sea level officially marked Monday the beginning of Macedonia-Kosovo border demarcation process.

Delegations from Macedonia, Albania and Kosovo and international officials attended the border demarcation launch.

"The decision on recognition of Kosovo's independence will be reviewed in conditions when the Macedonian Government believes is the right time", Miloski underlined.
