British judge Michael Wood will lead the Kosovo Albanian legal team at the International Court of Justice, Kosovo's Presidency said Wednesday.

Wood represented the UK in the Dayton Peace Conference in 1995 which brought an end to the war in Bosnia and Herzegovina and the Rambouillet Peace Conference in 1999 which failure led to the NATO bombings of Serbia.

“We believe that we have a strong case and aim to demonstrate that Kosovo's independence does not breach international law,” Pristina's statement says.
