## Several thousands Kosovo Albanians protest against UN plan

KosovoCompromise Staff

Several thousands Kosovo Albanians protested on Wednesday in Pristina against the UN plan on the reconfiguration of Unmik.

Carrying Albanian and Kosovo flags, and chanting a range of pro-Kosovo Liberation Army and anti-UNMIK slogans, demonstrators carried banners reading “No to the Ban Ki-moon Six-Point Plan“, “Sovereignty, Independence, Freedom“, “KLA“ and others. The protest’s motto was “Everyone against the Ban Ki-moon Six-Point Kosovo Plan”.

The leader of the “Self-determination” movement Albin Kurti said that Kosovo is a sovereign state and that the offered UN plan legitimizes Serbia as a side.

“We say 'no' to Serbia,” Kurti said.
